

100 COOL COTTAGES

37 Black Sheep Cottage, Peasenhall, Suffolk Sleeps 4

It's a copybook conversion. Take half of a 16th-century cottage. Accentuate everything ancient and textured. Contrast with the odd piece of modern furniture. And serve up with a flourish of chocolatey colour. Outside, there's a shared orchard and pond, a private garden and a large chunk of rural Suffolk.

38 Aldeburgh Cottage, Aldeburgh, Suffolk Sleeps 4

Nearly all of Aldeburgh's seafront cottages are now fully booked for the summer holidays, but there's still availability at this pocket-sized mustard-coloured property, just a short walk from the beach.

● High £860, low £445;
